

Set contents

unisex

1 Disposable Portable Toilet (for all uses)

Uses a high-quality antibacterial coagulant for safety and reliability, with long-lasting effectiveness. Includes a waste bag, carry-back bag, coagulant, and instructions in three languages. Can also be used as a motion sickness bag.

unisex

2 Disposable Portable Toilet (liquid waste only)

A handheld portable toilet (single-use) designed for ease of use with one hand. Features a check valve and absorbent polymer to prevent backflow and odor. Large 700ml capacity for peace of mind.

3 Silent Aluminum Poncho

A 3-way item usable as cold-weather gear, rainwear, or for privacy when changing or using the toilet. Made of soft, noise-reducing material.

4 Disposable Dust Mask

Reduces the risk of inhaling particulate matter such as dust, ash, or debris dispersed during disasters.

5 Long-term Storage Heat Pack

A non-adhesive heat pack suitable for long-term storage. Helps to alleviate cold and prevent body temperature from dropping.

6 Rock Sugar for Storage

Has no expiration date and is heat-resistant, making it suitable for long-term storage in vehicles. Serves as an immediate energy source during disasters.

7 Emergency Aid Card

A card containing useful disaster-related information, including disaster message dialing services, free emergency Wi-Fi, and support for foreign residents.
